§ 20.707

as though the request for a hearing had been withdrawn. No further request for a hearing will be granted in the same appeal unless such failure to appear was with good cause and the cause for the failure to appear arose under such circumstances that a timely request for postponement could not have been submitted prior to the scheduled hearing date. A motion for a new hearing date following a failure to appear for a scheduled hearing must be in writing, must be filed within 15 days of the originally scheduled hearing date, and must explain why the appellant failed to appear for the hearing and why a timely request for a new hearing date could not have been submitted. Such motions must be filed with: Director, Administrative Service (014), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Whether good cause for such failure to appear and the impossibility of timely requesting postponement have been established will be determined by the Member who would have presided over the hearing. If good cause and the impossibility of timely requesting postponement are shown, the hearing will be rescheduled for the next available hearing date at the same facility after the appellant or his or her representative gives notice that the contingency which gave rise to the failure to appear has been removed.

(e) *Withdrawal of hearing requests.* A request for a hearing may be withdrawn by an appellant at any time before the date of the hearing. A request for a hearing may not be withdrawn by an appellant's representative without the consent of the appellant. Notices of withdrawal must be submitted to the office of the Department of Veterans Affairs official who signed the notice of the hearing date.

(f) *Advancement of the case on the hearing docket.* A hearing may be scheduled at a time earlier than would be provided for under §19.75 of this chapter upon written motion of the appellant or the representative. The same grounds for granting relief, motion filing procedures, and designation of authority to rule on the motion specified in Rule 900(c) (§20.900(c) of this part)

for advancing a case on the Board's docket shall apply.
